

We are a well-established and growing concrete company, where hard work is valued and rewarded. We are looking for a Construction Estimator/Project Manager to prepare bids and manage construction costs of small to large scale projects.

If you choose to work with us, you will have an opportunity to grow your career and to advance within our company.

We offer competitive wages, an employee pension program, and a full benefit package (health, dental, vision), and a yearly professional development bonus to help you maintain your certifications.

We work hard to create a positive environment for our employees, where you will feel supported and appreciated at work.

Whether you're a seasoned professional, or someone looking to establish themselves in the industry, we'd love to hear from you. If you think Thorpe Construction would be a good fit for you, please apply today.
