VACANCY: HEAVY DUTY & AUTOMOTIVE MECHANICS

Quarry Hills Excavation & Gravel Ltd.

About the Role

Quarry Hills Excavation & Gravel Ltd. is one of Westman's fastest growing commercial heavy equipment contractors, specializing in gravel, sewer & waterworks, and earthworks. We are seeking **skilled Heavy Duty and Automotive Mechanics** to join our team in Brandon, MB.

This role is ideal for individuals with experience working on a mix of heavy equipment, diesel engines, and on-road vehicles. We welcome applicants from heavy duty, automotive, truck and transport, and agricultural backgrounds who are comfortable diagnosing, repairing, and maintaining a wide range of equipment and vehicles.

Requirements

- Applicable qualification/background (heavy duty, truck and transport, or equivalent) with at least 2 years' relevant experience.
- A Red Seal qualification is considered an asset.
- Farm or agricultural mechanics are also encouraged to apply.
- Strong knowledge of diesel engines, hydraulics, and heavy equipment systems.
- Experience working with heavy equipment, trucks, trailers, and/or automotive vehicles.
- Strong problem-solving and diagnostic skills across both heavy duty and automotive systems.
- Ability to work independently and in a team environment.
- Ability to lift and carry up to 50 lbs.
- Valid Class 5 Driver's License required (Class 3 is considered an asset).

Key Responsibilities

- Perform preventative maintenance on heavy equipment, trucks, trailers, and company vehicles including oil changes, fluid services, and inspections.
- Diagnose and repair mechanical issues on diesel and gas engines, hydraulic systems, braking systems, and electrical components.
- Conduct safety inspections and preventative maintenance checks on both heavy equipment and automotive fleet vehicles.
- Troubleshoot equipment and vehicle issues to minimize downtime and maintain efficient operations.

- Repair or replace worn or damaged parts across a variety of equipment and vehicles.
- Maintain accurate service records and report major repair needs to management.
- Assist with maintaining shop organization and cleanliness.
- Prepare and inspect equipment and vehicles prior to deployment to job sites.
- Coordinate parts ordering and parts pick-up when required.
- Ensure all work is completed in accordance with company safety policies and procedures.

Compensation and Benefits

- Competitive wages, based on experience.
- Group benefits program.
- Company-matched RRSP.
- Free gym membership.
- A dynamic, community-focused workplace with opportunities to grow within the company.

How to Apply

Send your resume to Chris Hatch at: recruitment@quarryhillsexcavation.com
IMPORTANT — please use the subject line: #QHCARM-Mechanic

We thank all applicants for their interest in joining Quarry Hills. **Only candidates selected for an interview will be contacted.** If you do not hear from us within two weeks of submitting your application, please consider your application unsuccessful.
