VACANCY: HEAVY EQUIPMENT OPERATORS

Quarry Hills Excavation & Gravel Ltd.

About the Role

Quarry Hills Excavation & Gravel is one of Westman's fastest growing commercial heavy equipment contractors, specializing in gravel, sewer & waterworks, and earthworks. We take pride in providing efficient, reliable service and are currently looking to expand our team with experienced and dedicated **Heavy Equipment Operators.**

Requirements

- Experienced with the operation of various heavy-duty equipment, including excavators, front-end loaders, skid steers, and bulldozers.
- A valid Class 1 Driver's Licence is considered an asset.

Key Responsibilities

- Perform daily maintenance and safety checks.
- Conduct pre-operational checks, including cleaning, lubricating and refilling as necessary.
- Adherence to safety policies and procedures and preparing necessary safety reports and documentation.
- Ensuring company equipment and materials are well-maintained, kept clean, and stored appropriately.

Compensation and Benefits

- We offer competitive wages and a benefits program. Wages to be discussed based on experience.
- A dynamic, community-focused workplace.
- Group benefits.
- Company-matched RRSP.
- Free gym membership.

How to Apply

- Send your resume to recruitment@quarryhillsexcavation.com
- Please use the subject line: **#QHCARM Heavy Equipment Operator**
    - *Applications without the correct subject line may not be reviewed.*

We thank all applicants for their interest in joining Quarry Hills. **Only candidates selected for an interview will be contacted.** If you do not hear from us within two weeks of submitting your application, please consider your application unsuccessful.
